School Overview

Lockyer District High School is a secondary school located at Gatton enrolling almost 1100 students. After significant school and community consultation, this school has become one of only 250 Independent Public Schools, state wide. This wonderful affirmation of our academic and community record sees us identified as a "high potential school".

Positive student achievements remain central to our teaching and learning practices. There is a very strong and successful tradition of sporting, cultural and creative student involvement. Academically, LDHS provides students with a well balanced curriculum and the wide range of subjects cater for the diversity of students' abilities, interests and career aspirations. Our academic record is the envy of other state and non-state schools in the Lockyer Valley and in Darling Downs-South West Region. Our signature programs include our Dance Program, of which accolades include multiple trophies from eisteddfods and competitions that fill our school foyer; Lockyer's Cattle Show Team that produced the RNA Grand Champion Bull in 2015 and our STEM program (Science, Technology, Engineering and Mathematics) that produced State Titration Champions and State Robocup Champions in 2016.

A Special Education Program supports the needs of students with disabilities. The curriculum is organised around distinct programs within Junior Secondary in Years 8 and 9, and a comprehensive Senior Secondary program in Years 10, 11 and 12 includes academic, practical and vocational (VET) subjects. 2016 saw the introduction of a year 10 program that delivers the intent of the Australian Curriculum but also closely aligns to the intent, standards and expectations of the Senior Phase of Learning and provides a distinct advantage for our students. Students have the opportunity to engage in a full range of learning opportunities from extended learning for our more capable students, to learning support for students who require extra help. The school offers homework club, free of charge each Tuesday and Thursday afternoons. A successful school-based apprenticeship / traineeship program and work experience operates for students in the senior phase, providing job-ready skills and access to local businesses and employers .

Within LDHS, a strong supportive environment nurtures individual potential and assists students when personal difficulties arise. This Care team includes Year Coordinators and Lead Teachers, Guidance Officer, Chaplains, School-based Nurse, an Indigenous worker, School-based Police Officer and Youth Support Co-ordinator. An anti-bullying program is strongly established.

Our school helps our students to live our motto, belong...believe...achieve. Our programs and our staff help our students to reach our vision for them. Our vision is for our students to be working together, to ensure that every day in every classroom students are learning and achieving, becoming enterprising, resilient, creative, adaptable and confident.

Principal's Foreword

Introduction

This report is a snapshot of some aspects of the programs offered at Lockyer District High School. Information contained in this report show that Lockyer is a caring school that promotes a high quality and inclusive learning environment. We are a large regional school, delivering a varied and rich range of learning experiences and have the support of the school community.

School Progress towards its goals in 2016

Lockyer District High School is proud of our work towards our goals. LDHS has made significant gains in continuing to implement the Australian Curriculum. Students have been supported to develop enhanced literacy and numeracy skills through dedicated support classes, while other students in years 9 through 12 have had opportunities to engage in a range of student-centred programs. An example might include linking directly with tertiary institutions a part of the Young Achievers and School's Gateway Programs.

Students have continued to engage in work placement, school-based apprenticeships and traineeships and engage in certificate courses in vocational programs. These programs increase a student's potential to transition to work after school.

Lockyer District High School is the largest state-funded educational institution in the Lockyer Valley and the largest school in the Lockyer District. We continue to enjoy the support of the school community who value the programs that the school provides for students. Core priorities included

1. Improve whole-school attendance rates.
2. Reading and Numeracy as evidenced in NAPLAN and other standardised testing. These increases have a positive effect on student achievement across the curriculum.
3. Improving senior transition outcomes particularly QCE attainment and OP outcomes.
4. Improving the relationship between school and the community as evidenced in the School Opinion Survey.

Future Outlook

The Lockyer District High School's Explicit Improvement Agenda outlines the key improvement strategies for 2017, the targets indicating improvement as well as the resourcing required to meet our targets.

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

In 2016, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html>).

Characteristics of the Student Body

Overview

The Lockyer District High School student body is characterised by an exciting amalgam of students from diverse backgrounds. Significant numbers of students have a long family history with the school and the agricultural and commercial sectors of the Gatton community. Many other students have settled in the Lockyer Valley as part of the South East's Western Growth Corridor. Many students represent Asian, African, Middle Eastern, Indigenous and other cultures, all who contribute to a rich cultural and educational experience. Lockyer support this diversity through a range of support and extension programs to meet the needs of the Lockyer Valley community.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

Curriculum Delivery

Our Approach to Curriculum Delivery

- All students engage PBL (Positive Behaviour for Learning) training, including anti-bullying and resilience building programs.
- All students are involved in a comprehensive pastoral care program to build resilience and social and emotional capacity.
- Students participate in Certificate courses in automotive, construction, engineering, hospitality, IT, business as well as the potential for students to enroll directly into SQIT or University Head start Programs
- Students engage in Certificate courses in automotive and engineering in our Trade Training Centre.
- Students engage in certificate courses (up to Certificate 3) in rural operations directly through UQ Gatton.
- Students can engage in Instrumental Music and Music Extension programs

Co-curricular Activities

Lockyer District High School has an extensive program of extra-curricular activities, providing opportunities for all students –

- Musicals, drama and dance performances
- Sports Tours – 2016
- Ski Trip to southern ski fields – 2016
- Leadership Program and Sailing Trip 2016
- Competitive and social sporting competitions
- Show cattle team
- The LDHS Student Representative Council provides leadership opportunities and provides a student voice in school-based decisions

How Information and Communication Technologies are used to Assist Learning

Lockyer District High School has an integrated approach to the learning and teaching of Information, Communication Technologies (ICTs). ICT skills are not taught in isolation – the skills are developed as part of learning experiences across the curriculum.

- Our school is a BYOx school and supports ipads in years 7-9 and PC devices in years 10-12. Advice on the most appropriate advice for students can be sought from the school. To support students with specialist needs, the school has pool devices for ipad minis and PC devices for day loan as well as several dedicated computer rooms.
- Significant effort is spent skilling and resourcing teaching staff with the necessary knowledge, skills resources required to deliver a digitally rich learning environment.
- Lockyer spends significant funds in 2016 expanding our network capability, improving internet speed to 50 mbps, and employing two computer technicians to support all ICT devices.

Social Climate

Overview

The care of students is the key cornerstone of our school. The vast majority of students report feeling safe and welcome at our school. Our school provides a Guidance Officer, School based Youth Health Nurse, Chaplains, School-based Police Officer, Lead teachers and Year Co-ordinators as initial points of contact for caregivers, students and their families. Other features of our school climate are:

Student Peer Support Officers and Peer Helpers act as support and confidants for troubled students.

- A proactive care team regularly meet to design programs for the support of students. LDHS has a recently revamped bullying process and offers a structured program around cyber bullying throughout each year.
- Students have the opportunity to engage in leadership activities and provide or receive peer support through senior or other students who have accepted responsibility to support their peers.
- A school-wide, positive behaviour support program (PBL) that teaches, supports and promotes positive behaviour across the school.

Parent and community engagement

The major parent body in our school is the Parents and Citizens (P&C) organisation, which meets monthly. This group of positive, caring parents oversee the running of our school canteen, which is the major fundraiser of our school. The P&C generate donations to the school which support and enhance teaching and learning programs in the school.

Parents are invited to engage with teachers about their student throughout the school year. More formalised feedback about individual student progress is accessed through Parent/Teacher evenings held twice per year.

Involvement in curriculum planning is offered to parents during subject selection evenings and incidentally through contacting the school directly.

Respectful relationships programs

Building Social and Emotional Learning (SEL) capability in students is a strong focus of the school. Organised curriculum offerings are delivered through HPE in years 7-9 and include:

<p>Year 7 HPE:</p> <ul style="list-style-type: none"> Term 1: Approaching Adolescence Term 2: I can make good decisions (Drugs 1) Term 3: Generations 	<p>Year 8 HPE:</p> <ul style="list-style-type: none"> Term 2: My Decisions, My Life (Drugs 2) Term 3: Cultural Understandings Term 4: My Adolescent Relationships (Cyber Bullying)
<p>Year 9 HPE:</p> <ul style="list-style-type: none"> Term 1: Respectful Relationships Term 2: My Social Responsibility 	<p>12 Health: Domestic Violence: Term 4</p>

Targeted programs for students with identified needs include:

- Pastoral Care team to deliver age appropriate SEL 7-12.
- Care Team deliver targeted programs to targeted students 7-12.
- Betterman Year 10-12
- Lockyer Girls Group Year 12
- Drumbeat Year 10-12
- Rage 7-12 Tier 2 Intervention Prog.
- Rock and Water 7-12 Tier 2 Intervention Prog.
- Wheel of Wellbeing 10-12 Pastoral Care (BBA)
- Love Bites Year 12 Social/Comm Studies

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2014*	2015**	2016
Short Suspensions – 1 to 5 days	172	205	221
Long Suspensions – 6 to 20 days	10	10	13
Exclusions	4	2	7
Cancellations of Enrolment	11	5	8

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Environmental Footprint

Reducing the school's environmental footprint

Lockyer District High School has worked hard to turn lights off, to keep solar panels serviced and operational as well as use water tanks for irrigation. Lockyer has reduced its reliance on paper through the introduction of electronic communication strategies across the school.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2013-2014	456,077	8,099
2014-2015	459,987	9,768
2015-2016	432,071	13,548

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

All students are expected to attend school on all scheduled school days in line with their program of study.

Official school rolls are marked at the start of each school day. Teachers mark class rolls each lesson and submit this information to Administration.

Lockyer District High School has very effective lines of communication with caregivers regarding absences from school. Parents are expected to make contact with the school to explain student absences from school. This process is made easier through our 24 hour messaging service. Parents are SMS text messaged if their student's absence is unexplained.

Student Destinations

Post-school destination information

The results of the 2016 post-school destinations survey, Next Step – Student Destination Report (2016 Year 12 cohort), will be uploaded to the school's website in September.

The report will be available at:

<https://lockdistshs.eq.edu.au/Supportandresources/Formsanddocuments/Documents/next-step-summary-report.pdf>

Early leavers information

The destinations of young people who left the school in Years 10, 11 and prior to completing Year 12 are described below.

The majority of early-leavers continue their learning at another learning institution. This typically includes another state school, TAFE. Some students exit to full-time work. Very few students leave with no other pathway to learning or work.
