

Agreement of Acceptable Use of Information and Communication Technology at Lockyer District High School

I understand that ICT devices are intended to support student learning and when using systems such as the Internet it is impossible for the school to filter all material that may be controversial or offensive. It is therefore my responsibility not to initiate access to such material or to distribute such material by copying, storing or printing.

I agree that each computer account is private and I will not interfere with another student's account.

I also agree that I will use all information technology resources appropriately; examples of appropriate behaviour are detailed below:

- I will use all equipment with care and will not damage it.
- I understand that I am responsible for and agree to pay for all damage that is the result of my misuse of the computer network and ICT related hardware for example computers, laptops, cameras and iPads.
- I understand that I am responsible for any damage that may come to my personal ICT device and the cost incurred for repairing it including if I loan my device.
- I will report any damage, vandalism or theft immediately to a classroom teacher.
- I will only use my ICT device for teacher directed activities.
- I will not breach copyright (e.g. by illegally copying or downloading software or media).
- I will not change any device's set-up without explicit permission from the classroom teacher.
- I will not scan/display/transmit/store any material that may cause offence to others.
- I will not reveal my password to anyone else, or allow another person to access a device using my credentials
- I understand that I am responsible for securing my device and that I am solely responsible for any breaches of this agreement on any device where I am logged in.
- I will not attempt to upload/create any computer viruses or be involved in any form of electronic vandalism.
- I will report any security problems immediately to a classroom teacher.
- I will not reveal any personal information, such as; addresses, phone numbers, PIN or credit card number in any electronic communications that I receive either accidentally or intentionally.
- I understand that I am responsible for my download allowance and will use and monitor it appropriately and that additional and/or excessive download fees will be my responsibility.
- I understand that I am responsible for my printing credit and will use and monitor it appropriately and ensure that I have printing credit available at all times.
- I understand that it is my responsibility to bring to class any required device with any/all appropriate accessories and applications.
- I understand that it is my responsibility to ensure that any device required for class is adequately charged and that I may not be able to charge my device at school.
- I understand that I am not to make any posts or upload photos that can identify any student or LDHS on social media.
- I am to respect everyone else's privacy by not posting or recording conversations or photos of their person or work without their expressed permission.
- I understand that any device (school-owned or personally) may be confiscated by a teacher in accordance with LDHS' Temporary Removal (confiscating) of Student Property Policy.

I accept that if I breach any of these conditions I will be referred through the Responsible Behaviour Plan.

I accept that if I breach any of these conditions I will be taken off the network/internet temporarily or permanently and that this may be recorded on my student record.

I also accept that where a criminal offence occurs further disciplinary and or legal action may be taken.

every day, in every classroom, all students are learning and achieving
...to become enterprising, resilient, creative, adaptable, confident individuals

Agreement of Acceptable Use of Information and Communication Technologies at Lockyer District High School

STUDENT:

Given Name: _____ Surname: _____

Year Level: _____

*Computer access is not available until this form is returned and processed.
