## Snapshot report

### Under the agreement for 2014

### Lockyer District High School received

**\$115498**

After reviewing our *Great Results Guarantee* agreement, it is clear that we have made excellent progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

	Target	2014 Outcome
	Increase the percentage of Year 9 Students meeting NMS in Reading from 87.9% to 93% in 2014.	2014 NAPLAN NMS Reading 91.1%. A great result and close to Nation in this dimension.
	Increase the percentage of Year 9 students meeting NMS in Numeracy from 83.2% to 90% in 2014.	2014 NAPLAN NMS Numeracy 93.3%. A better than expected and great result that is close to Nation in this dimension.
	Develop an evidence-based learning plan for students who are below the NMS for Literacy and/or Numeracy.	As at 8 October 47 EBPs completed for year 9 students
	Provide learning support staff to implement learning plans and improve outcomes in Reading and Numeracy.	Employed 2 T/Aides for literacy support for all of 2014 to support students identified at being at risk of not meeting minimum benchmarks.
	Provide a Literacy and Numeracy coordinator to lead the process towards improving student learning outcomes.	Employment L/N Coordinator from Term 2 with a clear purpose of developing staff and constructing Evidence-based Plans.
	Purchase take home resources for students working towards NMS	Purchased \$11000 in Literacy and Numeracy support materials that will be released to students in 2015.
